Join us for a relaxing escape from the hustle and bustle of everyday life and enjoy a group experience geared toward involving and educating women about horses. Classes will remain small to ensure an intimate, personal experience, focusing on the unique relationship women can have with horses. Our qualified instructors will teach you about horse care, grooming, tacking, communication from the ground and in the saddle, and much more in this half day getaway for women (age 18+) of all experience levels. For those who have attended a previous Getaway, our instructors will take you to the next level, assuring a new and exciting experience.

The Getaway will begin at 1:00PM and conclude at 4:00PM. To register, mail in the form below with your full payment of \$65 at least two weeks prior to your desired date. A confirmation will be sent to you prior to the Getaway. Dress for the weather; long pants and boots with a heel or solid-soled shoes are required. Helmets are optional. If you wish to wear one, you may bring your own or we will supply one for \$2.

Reserve your spot early, as session size is limited to ensure individual attention. A confirmation will be sent to you prior to your scheduled session. Please understand these sessions are not designed for riders with special needs.
